## **BALANCE**

Today’s scriptures emphasize the fundamental link between love of God and love of our neighbors, especially those who are most in need. Love of God should compel us to love the people whom God cherishes. Conversely, work for justice and charity for those in need should be rooted in our love of God.

That connection and balance, however, isn’t always easy to maintain in our lives. Even in religious orders we find that some Christians are more oriented toward contemplation and prayer, while others are more active in reaching out to those who are oppressed. Today Jesus reminds us of the necessity for both in the life of faith.
